

Imi Hale Native Hawaiian Cancer Network

Training Cancer Patient Navigators

Imi Hale's 48-hour training in 3 formats:

- 6 days in Honolulu
- 4 days on a Neighbor Island plus 2 days in Honolulu
- 3 credit Community College course

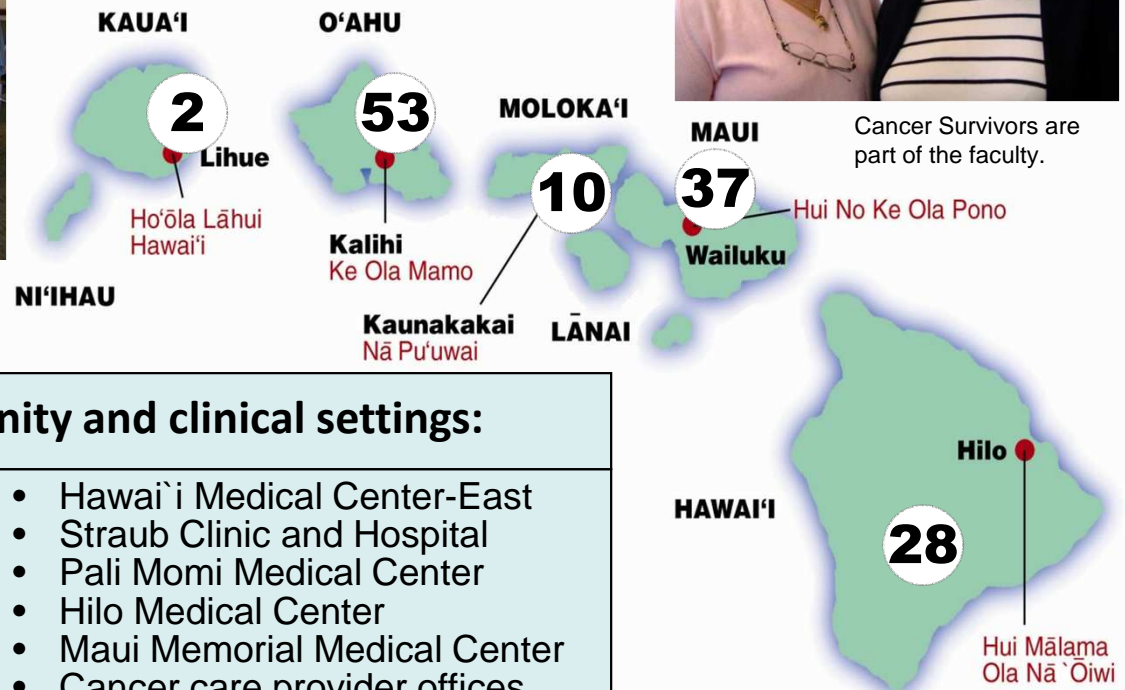

Role play is a large part of the training.

Cancer Survivors are part of the faculty.

Trainees come from both community and clinical settings.

130 graduates working in community and clinical settings:
